Effective Date: 07/08/2025

1. Introduction

At Advanced TMJ Maxillofacial Pain & Sleep Center ("we," "our," or "us"), we are committed to protecting your privacy. This Privacy Policy outlines how we collect, use, disclose, and protect your information when you visit our website or engage with our services, in accordance with the Health Insurance Portability and Accountability Act of 1996 (HIPAA) and applicable Washington State privacy laws including RCW 70.02.

2. Information We Collect

We may collect the following categories of information:

- **Personal Information:** Such as your name, email address, phone number, and other contact details submitted via forms or communications.
- **Health Information:** Information you voluntarily provide through appointment requests or patient intake forms, which may be considered Protected Health Information (PHI).
- **Usage Data:** Information automatically collected when you use our website, such as IP address, browser type, pages visited, and time spent on the site.

3. How We Use Your Information

We use the information we collect to:

- Respond to your inquiries and schedule appointments
- Provide medical services and manage your care
- Improve our website functionality and user experience
- Fulfill legal and regulatory obligations

4. Sharing of Information

We do **not** sell, rent, or lease your personal or health information. We may share your information with:

- Our affiliated providers for treatment, payment, or healthcare operations (TPO)
- Third-party billing services or practice management platforms as necessary for payment processing
- Service providers that assist with our website and IT operations (under binding confidentiality agreements)
- Public health authorities, legal entities, or law enforcement when required by law

5. Cookies and Tracking Technologies

We use cookies and similar tracking technologies to improve site performance and analyze visitor interactions. You may modify your browser settings to decline cookies, though this may impact website functionality.

6. Data Security

We use appropriate administrative, technical, and physical safeguards to protect your personal and health information from unauthorized access, use, or disclosure. This includes secure hosting, encryption, and access controls.

7. Third-Party Links

Our website may include links to third-party websites for your convenience. We are not responsible for the
